Technology Expectations: Our goal is to provide our members with access to technology and opportunities to learn in a fun environment. We also aim to ensure our youth are safe in their technology usage and have expectations and guidelines we expect our youth to follow. With ever-changing technology, these change often. Youth are expected to keep screens visible to staff at all times and to use these devices only in the established areas. Cyber-bullying is strictly prohibited and will not be tolerated. At times we will ask that all devices be put away and unused. Members are expected to respect these guidelines and may be asked to

Medical Treatment: I understand that care for injuries that may occur during my child's active participation in Boys & Girls Club of Leflore County are the responsibility of myself, my family and/or my insurance.

Behavior: Discipline issues will be dealt with on an individual basis. Minor discipline issues will result in a warning to the student, if the issues continue we will inform the parent/guardian. A serious disciplinary problem is one in which a youth disrupts the fun and safety of other. This might include but is not limited to a student inflicting physical or emotional harm to another student, abusing staff, or not complying to the behavior expectations. The program has the right to suspend a child if the child is endangering him/herself, other students, or staff members.

***Programs:** A list of programs offered is available on our website- www.bgcleflorecounty.org. Additional permission forms will be sent home for some programs and will be passive permission forms meaning they will only need signed if you wish your child to be excluded from that program. A current list of offered programs includes: Power Hour, Triple Play, Smart Moves (Smart Kids, Stay Smart, Start Smart), Passport to Manhood, Smart Girls, Money Matters, STEM, art, Career Launch (during summer), and Torch Club.

Our purpose: We absolutely aim to provide your child with the best programs, safest environment, most positive place possible. We are not a childcare facility but a **youth development program** service. Core Beliefs-A Boys & Girls Club Provides: A safe place to learn and grow, ongoing relationships with caring, adult professionals, life-enhancing programs and character development experiences, and hope & opportunity.

OUR MISSION

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.
